GARDEN SUPPLIES WORKSHEET & BUDGET TEMPLATE

As a recipient of Farm to Preschool Grant funding, you will be establishing or revitalizing a vegetable garden at your child care center. Below is a list of supplies that may be helpful for you to purchase with your grant funds in order to set up your garden. You may indicate below the type of garden your child care center will be establishing and select the quantity of supplies you will need for your garden to guide your purchasing decisions. On the following page, you will see a blank budget template to use when you submit your required budget information.
