## FARM NOTES

*Titan Farms is the largest peach grower on the east coast, with over 5,800 acres of peaches in production. We also have 550 acres of bell pepper and 800 acres of broccoli in the operation. Titan Farms is a true family operation with owners Chalmers and Lori Anne Carr overseeing every aspect of the business. Family members, along with long-term employees, create a genuine family atmosphere. The pride and ownership in their work is reflected in the quality of the peaches and other produce.*
